### Summary of Request:

The South Texas Watermaster Program seeks approval of its Fiscal Year (FY) 2010 proposed assessment for annual costs of operations based on its operating budget which consists of a \$50.00 base fee applicable to each assessment account. A penalty of 5.0% of any delinquent fee due shall be imposed on a person who fails to pay the required fee when due and if the person fails to pay the fee within 30 days after the day the fee is due, an additional 5.0% penalty shall be imposed. Delinquent fees will accrue interest beginning on the 61<sup>st</sup> day after the due date. The yearly interest rate on all delinquent fees required under this title is the prime rate plus one percent, as published in the *Wall Street Journal* on the first day of each calendar year that is not a Saturday, Sunday, or a legal holiday. Penalties and/or interest fees may be waived by the Executive Director for good cause. The Executive Director estimates the proposed assessment of Five Hundred Sixty Thousand Eight Hundred Fifty Three Dollars (\$560,853) will generate revenue of Five Hundred Forty Four Thousand Twenty Seven Dollars (\$544,027) for FY'10.

## INTEROFFICE MEMORANDUM

**To:** Commissioners, TCEQ **Date:** August 21, 2009

**Thru:**  John Sadlier, Deputy Director  
Office of Compliance and Enforcement

 Ricky Anderson, Director  
North Central And West Texas Area

**From:**  Al Segovia, South Texas Watermaster

**Subject:** Fiscal Year (FY) 2010 Proposed Assessment of Annual Costs of Operations for the South Texas Watermaster Program

The South Texas Watermaster fund is required by Texas Water Code (Code) §11.329 to pay compensation and expenses of the Watermaster and to pay expenditures for equipment, facilities, and capital expenditures necessary for Watermaster operations when recommended by the Watermaster Advisory Committee (WAC) and the Executive Director and approved by the Commission.

The attached document, "South Texas Watermaster Operations", was presented to the South Texas WAC on July 22, 2009, in San Antonio, Texas. The third column, "FY'10 Operating Budget Needs" indicates the projected program needs within the FY'10 appropriation, and the "FY'09 Anticipated Expenditures" (column 2) shows projected program expenditures for the current fiscal year. Also, attached to this memo is a copy of the public meeting notice for the July, 2009 South Texas WAC meeting that provided the thirty (30) day notice of the budget hearing as required by the Code. An additional public meeting notice was mailed on August 5, 2009 to all affected water right holders regarding this budget item scheduled for the September 9, 2009 commission agenda. A copy of that notice and the mailing affidavit from the Chief Clerk's office are also attached.

During their meeting, the WAC acknowledged the "FY'09 Anticipated Expenditures" in the amount of \$637,242, as presented. The WAC also agreed with staff's recommendation for the proposed "FY'10 Operating Budget Needs" in the amount of \$544,027. A copy of the WAC meeting agenda is attached for your information.

Staff recommends the "FY'10 Operating Budget Needs" in the amount of \$544,027. Using that budget amount, the program calculates its assessment based on a 97% collection rate; therefore, the total assessment amount is \$560,853 with a municipal rate estimated at \$0.1797. This staff proposal represents an increase of \$0.001 from the previous year's municipal rate of \$0.1787. Although the budget needs have decreased from FY09, the municipal rate will increase as a result of adjustments in water right accounts during the 2009 calendar year. The calculated rate for FY'10 is expected to generate revenue in excess of the Comptroller's Biennial Revenue Estimate (BRE) when combined with the revenue estimates for the Rio Grande Watermaster Program and the Concho River Watermaster Program. This combined excess revenue collection will provide access to the contingency Watermaster appropriations as authorized in Rider 31 of the FY'10-'11 General Appropriations Act. The total estimated amount of revenue in excess of the BRE for FY'10 is \$94,880.

This additional revenue is necessary for the Watermaster programs to be self-sufficient and not rely on funding subsidization from TCEQ.

This memorandum requests Commission approval of the South Texas Watermaster Program operating budget and assessment for FY'10. If I can be of further assistance or should you have any questions regarding this matter, please contact me at 1-210-403-4040, or Tracy Miller, Watermaster Liaison, at 239-4127.

Of this amount, Four Hundred Sixty Three Thousand Eighty Four Dollars (\$463,084.00) are needed for program staff base salaries and benefits (including longevity, salary enhancements, and fringe) and the remaining Eighty Thousand Nine Hundred Forty Three Dollars (\$80,943.00) are needed for program operating costs. ### To Watermaster Advisory Committee Members:

In order to comply with Texas Water Code §11.3261 and §11.329 requirements (as promulgated by Senate Bill 1406 in 1997), attached for your information are preliminary South Texas Watermaster Program (STWM) Proposed Budgets for Fiscal Year 2010 (FY10). A detailed proposed budget will be presented to the committee on Wednesday, July 22, 2009. All water right holders will be notified of the Watermaster Advisory Committee meeting and public comments will be allowed.

### Time line for Budget Approval

June, 2009	Set date for WAC public meeting on the budget in July and send out notices to each water right holder at least 30 days prior to the public hearing.	Meeting set for July 22, 2009 @ 11:00 a.m. Public notices to be sent by 6/22/09.
July 22, 2009 @ 11:00 a.m.	WAC public hearing on the proposed budget.	Pending
2 weeks after WAC meeting	Submit detailed budget to TCEQ for management review and Commission consideration.	Pending
August, 2009	Send out notices to each water right holder at least 30 days prior to Commission agenda	Pending
September, 2009	Commission action on order establishing annual assessment rate.	Pending
Sept. – Oct., 2009	Send out assessment invoices to water right holders.	Pending

Preliminary calculations indicate that the total amount to be assessed will be **\$28,542.00 lower** than the \$589,305.00 assessed in FY09. This decrease is the end result of several decreases in the proposed operating budget for FY10 from the FY09 adjusted budget. For the most part, the South Texas Watermaster Program has minimized anticipated expenditures for FY10 in an effort to keep assessment rates as consistent as possible. **Please note that the budget does not include the 10% administrative fee as a line item and the proposed assessment provides funding needed to support the Watermaster Program without additional TCEQ subsidy.**

If you have any questions or comments, please do not hesitate to call me at (210) 403-4040.

Sincerely,
